Supporting Suffolk Farmers

The council meeting on Thursday 19 October saw councillors vote to approve a motion supporting local farmers and food producers by ensuring that local meat and dairy, as well as plant-based produce, is served at council events. The council's facilities and catering arm, Vertas, has 68% of its spend with Suffolk suppliers and 86% with regional suppliers. In order to tackle the county's environmental priorities and boost the local economy, the council also pledged to encourage Suffolk residents to buy local produce and shop locally wherever possible. Although this was clearly a "political" motion designed to highlight differences between the parties, I decided to vote in favour of it.

Walking and Bridleway Access

At Cabinet on Tuesday 10 October, members of the Suffolk Local Access Forum joined the meeting to provide their annual report, which included the work they are doing to improve and maintain footways and access around the county, particularly with Network Rail and National Highways to make sure that new developments take foot traffic and walkers into account. They are keen for the council to promote the East Anglian sections of the newly named King Charles III England Coast Path. The forum expressed concern about the significant large-scale energy infrastructure projects planned for the county and could impact on Suffolk residents' enjoyment of the green access network and impact on the county's natural environment.

Suffolk Pharmacies

On 11 October, councillors from my group attended Health Scrutiny which was looking at the service provided by pharmacies in Suffolk and the challenges they face with funding, staff recruitment, medicine shortages and pharmacies closing. Representatives from the NHS, Suffolk GPs and the Suffolk Pharmaceutical Committee joined the meeting and recommendations were made to write to minister about funding, and work with local schools and the University of Suffolk to promote pharmacy as a career path. It was noted that in order to provide extra services (such as blood pressure checks, cholesterol tests and asthma advice) which take pressure off GP surgeries, more space and consulting rooms would be required than Suffolk pharmacies currently had available.

Budget Consultation

Suffolk County Council is keen to hear from Suffolk residents, businesses and local communities as it decides how it will spend money next year and has launched an online consultation to give Suffolk residents a say in budget setting for the financial year 2024-25. There will also be a number of focus groups to explain the council's current financial situation, along with the chance for Suffolk residents and businesses to have a say on Council Tax proposals.

There are three key questions, the first is on which services people have recently used, the second asks for thoughts on seeking a greater contribution to Council Tax to help fund public services, and the third on which service area you would like to see more money spent. The online survey can be found at the link below – please give us your views! http://www.smartsurvey.co.uk/s/Budget24_25/

Storm Babet Flooding

The council would like to extend thanks to residents around the county who helped other residents whose homes and travel were affected by the rains and flooding that struck Suffolk on Friday 20 October. The way the emergency services, volunteers, farmers and local communities worked together to help children get home from school, move people to safety and protect buildings from flooding was truly inspirational.

If you have been affected by the Storm Babet and the recent flooding, please use link below for SCC support and advice: <http://www.suffolk.gov.uk/about/flood-recovery-information-for-suffolk>

A1088 bridge re-construction at Stowlangtoft

A liaison group has been formed between affected parishes, councillors, hauliers and highways staff, the first meeting took place on 31st October where plans and a timeline for the reconstruction work were discussed. This will involve a full closure of the A1088 for 4 months while the bridge is demolished and rebuilt on new foundations. Work is proposed to start late May 2024 but timing may be dependent on when the A14 works are completed.
